

Welcome to a network of talented graduates who envision new possibilities, enable innovation, and create things never before imagined.

Business Overview

The Finance organisation provides insight and analysis to guide Cisco's strategic positioning. Cisco Finance professionals are valued as business leaders that are catalysts to lead Cisco to the next level of excellence through unquestioned integrity, technology-enabled productivity solutions and leadership and management capabilities.

As part of the Finance team, you will be at the foundation of a company that generated \$35 billion in revenue for the fiscal year 2007. With growth opportunities in technology, geography and consumer markets, Cisco is poised to remain a world leader in the communications and networking industry.

The role

Financial Analyst

Summary of the opportunities

A career with Cisco Finance will enable you to undertake key roles which will develop your knowledge of financial management, providing you with a foundation to kick-start your career. As well as practical business exposure, the Finance training scheme will provide you with the theoretical knowledge to enhance your career. The training program is run for 2 years and is divided into a number of different rotations (of 6 to 8 months each) in different finance functions within the same country .

Main tasks will include:

- Support the business and partner with the country General Manager and sales force.
- Fiduciary responsibility for monitoring, enforcing and ensuring Cisco's policies, procedures and business practices.
- Forecasting process management and Business decision making responsibilities including performance analysis.

Opportunities in Cisco Finance start in summer 2008. You must be eligible to live and work in the EU without sponsorship or a visa from Cisco.
